

## Creative Catalyst Fellowship Application Questions

1. Email Address
2. First Name
3. Last Name
4. Phone Number
5. Provide a brief bio (250 words).
6. Select one central theme for your project:
  - **Solidarity:** Our fates are linked; when we support the Black struggle for liberation, we are supporting our collective liberation. We seek a re-envisioning of solidarity that simultaneously recognizes the AAPI experience with racism and oppression and how AAPIs have benefited from anti-Blackness. This theme is inspired by the importance of disrupting stereotypic tropes that limit and/or undermine authentic solidarity and offering an alternative vision.
  - **Belonging:** Belonging is about a sense of home, being seen, and the mere but essential right to exist. Belonging is a counterweight to hate and violence and can advance a vision for the profound inclusion of communities.
  - **Voting Together:** We lead by caring about each other. This theme is inspired by the importance of advocacy, voting, and becoming engaged in the issues that impact the lives of AAPIs and are of particular importance in the 2024 election. How will your vote show how you are caring for your community?
7. Briefly describe the theme you have selected and why it is important to you.
8. Describe your proposed project.
9. Briefly describe the change you seek and/or the impact you plan to make as a result of your project.
10. Partnering on this project with a social change organization is not required and applicants who are not partnering with an organization will not be penalized in the selection process. However, if you would like to partner with an organization or other artists in any way on this project, describe what their role would be.
11. List any social change organizations that you have worked with in the past, if any.
12. Share your project's timeline.
13. Provide links or files of up to five examples of your work.
